

Photographs of events and meetings

Portraits of past presidents

A digital copy of portraits of past president

Portraits of members

There is no indication when the small collection of portrait photographs was assembled. It is mainly photographs of MPA/RMPA/College members. It is arranged in alphabetical order within one box. There is no single list but details are on Archives: People.
see archives use and copyright files for requests to use photographs

Other portraits

This is one folder of portrait photographs of people who may have been honorary or corresponding members. It is arranged in alphabetical order but there is no list.

Portraits of non-members

This is one folder with pictures of figures from the history of mental health. It is not arranged in any order and there is no list.

Groups - pre-College

Various group photographs from the late 19th century to the 1960s, some identified, no list. One is large and stored separately

Groups - College
