

## RCPsych Pilot Data and Digital Literacy Training Programme

### Monday 22<sup>nd</sup> January 2024 (9am to 5pm)

#### Hybrid Event

**Venue: Conference Hall, Highbury hospital, Highbury Road, NG6 9DR**  
**Delegates- AMDs, CDs NHFT and ICB level, all Consultants, SAS doctors and Trainees**

#### Learning Objectives:

At the end of the training day, delegates will:

- Have a greater understanding (and be able to articulate) the value of data for clinicians.
- Know how to access dataset locally and nationally about their local populations.
- Have learned different approaches to using data in order to improve population health (i.e. QI / whole system approach)
- Understand how outcomes can demonstrate the value of mental health services at population and place level.
- Have a clear understanding of the relationship between high quality data and improved patient outcomes.

**To book your place complete the booking form: <https://forms.office.com/e/MM5jfXtF4z>**
